

Appointments and authorisation

Authorisation

I/We authorise Western Power to directly deal with the designer organisation in all matters relating to the design of electricity infrastructure of the Underground Distribution Scheme (UDS) for the above subdivision and authorise and direct Western Power to issue the Design Information Package (DIP) to the designer organisation.

Payment Guarantee

I/We undertake to pay the DOP and Design Conformance Review (DCR) fees in accordance with the Underground Distribution Schemes Manual whether the design and/or the construction of the electricity infrastructure of the subdivision proceed or not.

Agreement

I/We request Western Power to provide a DIP for the UDS for the Subdivision and agree to meet all the requirements of the Underground Distribution Schemes Manual for the design and construction of the electricity infrastructure of the UDS for the subdivision.
